

<u>Set Notation</u>	<u>Visual representation</u>	<u>Word description</u>
$A \cap B$	 A Venn diagram with two overlapping circles labeled A and B. The intersection of the two circles is shaded gray.	<i>A and B</i>
$A \cap B'$	 A Venn diagram with two overlapping circles labeled A and B. The part of circle A that does not overlap with circle B is shaded gray.	<i>A but not B</i>
$A' \cap B$	 A Venn diagram with two overlapping circles labeled A and B. The part of circle B that does not overlap with circle A is shaded gray.	<i>B but not A</i>
$A' \cap B'$	 A Venn diagram with two overlapping circles labeled A and B. The entire area outside both circles is shaded gray.	<i>Not A and not B</i>
